KKC Polo Team

b. About your project, what are you seeking funding for?

What risks have you considered, and what steps will you take to keep the project sustainable over the long term?

Kyle Kayak Club has been active for many years but in the last 3 years we have started a kayak polo team with the construction of the River Ayr Steps at UWS. Access here gives us a venue to train and practice weekly with goals suspended from the footbridge in the longer days and in the Citadel pool in the colder months.

This year, following a successful kayaking course for U18s as part of the summer of sport, there has been a great uptake in the sessions from junior participants and also their parents. Our age range is 10 years – 62 years for our polo sessions

To continue the momentum and enhance our competitiveness two of our U25 members are keen to complete a polo coaching course and assessment which will cost £300 each.

The Club also needs a pop up gazebo for our activities including our polo sessions and also taster and beginner sessions The gazebo provides shelter for changing and also 'dry' coaching

Both these funding requests should ensure the continuation of polo in the club as well as enhancing beginner activities which will feed into the polo section as well as other activities the club provides.
