## Section 3: Project Details

### Project Title

Carrick Walking Football

### About your project/what are you seeking funding for?

Carrick Walking Football was started to bring men over 50 together who were often isolated due to losing partners and health issue. We now have fifty members, with our oldest member being 78 years old, who attend tournaments in Glasgow, Motherwell and Edinburgh. The group meet weekly at Carrick Campus and our members travel from all over North Carrick and further afield.

We have the need to replenish our kit, and we are seeking funding to help do this. We are not asking for a lot of funding but the small amount we seek will help us immensely. We are looking to replenish balls and goalkeeper gloves.

**What community will this project be delivered in and what communities will benefit?**

Wider communities across North Carrick—including Kirkoswald, Dunure, Crosshill, Girvan and surrounding villages, the group also have men in attendance from Stranraer, Ballantrae, Straiton, Kirkmichael, Dalmellington and New Cumnock.

The project will still be delivered in Maybole as all the places listed the men travel independently to participate in the walking football. The men not only play football but come together after the game for tea and coffee where the camaraderie helps with their mental health and other issues they may be having, this group continues to help bring people out of isolation, helps them to meet new people, and get fit.

**Please provide information you have about the need and support for the project, e.g. community consultation**

We meet weekly at the Carrick Campus, when we first started the walking football we had a total of six members, due to the popularity of the game, the location and facilities the club has grown to fifty members. Walking football has become part of the North Carrick Community, and our fifty members have come to enjoy the benefits of improved physical and mental wellbeing.
