SECTION 3 – PROJECT DETAILS

a	Project Title	Disability Bow Maintenance / Archery Tag
----------	----------------------	------------------------------------------

b	<p>About Your Project</p> <p>The project will support two different levels.</p> <ol style="list-style-type: none"> 1. Archery Tag – This will support community engagement at the weekly Come and Try events we run at Riverside Sports Arena and community charity events that we support. Having just moved into new outdoor facilities at Annbank Football Club, Weston Avenue New Pebble Park, Annbank, Ayr KA6 5EF we will be supporting the Annbank Community Fund to support the local community. Archery Tag is a way to get all ages involved in group games which then introduces people to the sport moving onto other target games, soft archery and eventually to engage with the sport of archery. In the past we have had success from 8 – 80 years in age. 2. Disability Sport Support – We have members of the club that are disabled. To have their equipment adjusted it requires a minimum of a 10 hour round trip or to send equipment away for adjustment/repair. We propose to buy several items for bow maintenance which will be held and stored at the club's facility to allow access to repair and tune compound bows and recurve bows. The compound bows are compressed and cannot be adjusted without specific equipment including a Bow Press, Draw Board, and a Bieter Vice.
c	<p>What community will this project be delivered in and what communities will benefit?</p> <p>The Archery Tag will be used as part of the Come and Try / Community events that we host weekly / monthly in Ayr North and other areas where we are asked to support community events throughout South Ayrshire. We expect to begin to host our own Archery Beginners courses to Archery GB standard June / July 2025 which will be open to residents across the whole of Ayrshire. Initially we will be targeting SIMD areas working in partnership with Active Schools and Scottish Disability Sports Sport. The club has a range of equipment suitable for beginner's courses and a limited supply of equipment that can also be borrowed.</p> <p>Disability Bow Maintenance</p> <p>The equipment being applied for will allow archers from across North Ayr and beyond to access equipment to maintain their personal equipment. The club at the moment has several disabled archers who also are competitive archers and shoot across the UK most recently gaining a 3rd and 4th place in the Scottish Indoor Championships.</p> <p>To aid the disabled archers who shoot compound we need to invest in specific items of equipment that allow compound bows to be maintained without having to make a 10 hr round trip to an archery shop. Part of this can also be used by the whole club as clamps and draw testers for different types of equipment.</p> <p>Introducing maintenance develops new skills within the sport and the community. It also means that individuals take ownership of equipment and learn how to develop new skills.</p>

	<p>Archery is one of the most inclusive sports there is. It is multi-generational and multi-cultural while being a sport that abled and disabled can complete together. As a club we have worked with the local area West of Scotland Archery Association and Scottish Archery to support inclusion running events for Scottish Disability Sport. Locally we have supported Active School with children who were non attendees at school and many neurodiverse children have found archery to be a sport that that they can focus on and repeat. One of the Scotland U21 Team that I manage who is neurodivergent has now progressed onto representing the country at senior level a fantastic achievement.</p>
d	<p>If your project will require maintenance in future years how will your organisation achieve/fund this?</p> <p>The equipment requires limited maintenance which can be completed by experienced club members.</p>
